THE AYURVEDIC PATH CANCELLATION AND REFUND POLICY

At the Ayurvedic Path, we bend over backwards (no pun intended) to make sure that your experience is positive, fun, uplifting and educational. That is why our general policy is to provide no refunds once a class or course is purchased. We will, however, work with you in special circumstances to make sure you are able to take your class.

YOGA CLASSES AND PUNCHCARDS

Yoga Sessions: There are no refunds once a yoga session is purchased for a 7 or 8 week course. You may make up missed classes at any other class during that class session only. Once the session ends, classes may not be made up.

Punchcards: We give you the flexibility to use your 10 Class Punchcard for any class on the schedule and 24 weeks to use it. We think that's a generous deal. If you break a limb or have a medical condition that requires you to postpone your yoga classes, bring in a physician's note and we will extend your expiration date for you.

SIGNATURE COURSES AND WORKSHOPS

The Perfect Health Ayurvedic Lifestyle Course, Primordial Sound Meditation and Packages: We do not give refunds for our signature courses but it's our policy that once you're paid, you can take the signature courses at any time and as many times as you'd like for life. What other course structure allows you to do that?

Workshops: These are one time fees and space is limited. If you enroll, you reserve your space and therefore cannot receive a refund. You can, however, give your paid spot to a friend. And what you charge her is none of our business.

AYURVEDIC LIFESTYLE CONSULTATIONS and PERSONAL ONE-TO-ONE CLASSES

These individual sessions require planning and block a period of time on the schedule just for you. These sessions must be prepaid and there are no refunds. You can reschedule your session by giving no less than a 24-hour notice for no additional fee. If you need to cancel with less than 24 hours before your appointment, we will charge a \$40 late cancellation fee against your account balance.

We hope you understand our policies. We are a unique business with a staff who puts a lot of love and effort into the practice and hey, we have families to support too. If you aren't feeling the love in our classes, please let us know so we can make amends.

Wishing you peace, harmony, laughter and love.

Namasté,

Michelle Fondin
